About Loopmasters

Loopmasters are a company well known for providing only the highest quality royalty free sounds and samples to DJs, Musicians and Composers from some of the best Artists and Producers worldwide. Our portfolio of award winning sample collections now total in excess of 100GB, and we continue to bring the most cutting edge sounds to the studios of our customers from around the world, and aim to bring the best quality and value combination to you the producer, so when you are in need of inspiration you know to come to loopmasters.com

We create our sample collections in multiple formats such as Wav, Rex2 and Apple Loops and quality check every sound and sample that we release. Our collections span genres such as Electronica, Jazz, Downtempo, House, Drum and Bass, Breaks, World Music and many more and we have received many awards from respected industry publications throughout the 10 years that we have been in business. We make it our business to supply the very best royalty free samples on the planet, and hope that you will take a visit to our website to check out more of what we do.

Loopmasters – The Sample Boutique

By visiting Loopmasters.com has been live and selling samples for over 8 years but last year we completely redesigned our website to create a 'Sampling Boutique' which has revolutionised the way we prepare and deliver our sample libraries. The Site is built to let you the producer audition, preview and purchase the best sample libraries on the planet with ease, and with instant downloading to your computer as and when you want to.

The Sample Boutique is a place where producers can not only purchase our own titles, but those of our partner labels whom we believe are also providing the most authentic and cutting edge sounds available.

At Loopmasters.com you will benefit from the following:

- Access to hundreds of the best sample collections on the planet
- Free Loops on EVERY product page (when registered)
- Audition Demo Loops, Demo songs and full product write-ups
- Independent reviews from Magazines and other producers
- Download PDFs with content breakdowns
- Purchase directly and download to your computer
- All products licenced for your personal and commercial usage
- **10% Virtual Cash added to your account for ANY purchase made!**
- Interviews, News and Tutorials Added Regularly
- Weekly Newsletter
- Superfast Downloads and Myprofile with all orders stored for you

Visit us today to see what all the fuss is about!

Products & Reviews

Whether you are a Jazz guitarist looking for authentic Jazz drums, a keyboard player who needs a solid rock bass line or a House, Techno or Drum and Bass producer looking for a palette of authentic and up to the minute royalty free sounds to inspire your productions – Loopmasters.com is the place to find exactly what you need every time.

Loopmasters have a pedigree in sounds design which is based wholly on the contributions of some of the worlds most respected sound designers, and by the fact that we use experts in their genre for every project rather than trying to do everything ourselves. Centrally we quality check everything and do all format converting to ensure the end product is always delivered with our quality seal, and we work very closely with the Artists, Musicians and Producers involved in our projects to ensure a consistently high end result – and great feedback from our customers.

If you haven't heard of Loopmasters before and you make music with samples, you will usually find our products have been created with compatibility in mind, and whether you use Mac or PC, hardware or software – you should not have any problems in utilising our sounds in your music.

"This is the pack i've been looking for. It's all here. From all the original dubstep percussion samples to brilliant moody noises and atmospheres. Great choice of really well produced Kicks, snares, claps, Hi-Hat patterns and really good sound effect. Basslines are as good as the rest. This is very strong release. 9/10"
Laurent Garnier

"This pack is very useful for any kind of house music really. It can work in a Deeper environment as well as on a bigger room sound. 10/10"
Fred Everything

"Great great package here. Top quality samples that can be used in so many different ways. I found the loops... warm and original. 10/10"
Glimpse

"Beautifully laid out, clear samplepack with amazing loops... Wicked work. 9/10"
London Electricity

"Any budding dnb fan who wants to educate themselves outside the box then look no further. 10/10"
Anile

You are able to use the enclosed samples free of charge and royalty free in your personal and commercial productions without purchasing the original products – although if you use them commercially we would very much appreciate your support by buying the products and getting the benefit of a full licence and additional sounds and samples. Regardless here are our general terms and conditions and terms of licence for your information – more information can easily be found at: loopmasters.com/faq

Terms & conditions

1. The Sounds remain the property of its manufacturer and/or Loopmasters Limited. (Collectively, "Licensor") and are licensed to you as the original end-user ("Licensee"), for use subject to the provisions below. All rights not expressly granted herein are reserved exclusively by Licensor.

(A) The Sounds in a category of 'Sample Pack':

The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

The Licensee MAY NOT use the Sounds in isolation as sound effects or as loops (i.e. a sequence of musical events) or any competitive products that are sold or relicensed to multiple third parties.

2. A right to use the sounds is granted only to the Licensee and is NOT transferable.

3. This license expressly forbids resale, relicensing or other distribution of the Sounds, either as they exist or any modification thereof. You cannot sell, loan, rent, lease, assign, upload to or download from any server, or transfer all or any of the enclosed sounds to another user, or for use in any competitive product.

4. Licensor will not be responsible if the sounds does not fit the particular purpose of the Licensee.

PLEASE NOTE: This is a general licence which covers all Loopmasters products, it may not apply to products from other labels that we represent at Loopmasters.com - if in doubt please email us or contact the label directly.
